SUBJECT: Classification Review Request from the SSCI

1. SSCI Chairman Arlen Specter sent the A/DCI on January 19, 1995 four Committee transcripts and requested that we conduct a security review of them so they can be released to the public. The testimony was from Mr. Sidney Gottlieb on October 15, 16, 17, and 18, 1975 before the predecessor to the SSCI, also known as the Church Committee. I was informed by the SSCI Security Director that the request was made to the Committee.

2. Please coordinate the classification review of these documents and return them to me with your determinations when the review has been completed. I can be reached at [] if you have any questions. The SSCI has asked for a response by February 28, 1995. I will send them a written interim response, and have told them orally that it will take much longer before we can send them the finished product. [] DD/OCA, will explain to them that we cannot push this ahead in our queue. Thank you for your assistance.
